

Summer Classes at Mason Sewing Machine

Funky Tricks & Techniques

with Hilary Rice

Offering a smattering of techniques applicable to a variety of artistic endeavours, Hilary Rice will fill your day with fun and creative energy. Participants will learn about some of the techniques used by the artist in her textile/mixed media art - such techniques as Transfer Foiling, Silk Paper Making, Metal work and Toner Transfer, to name just a few. Workshop fee includes some workshop materials, in addition to the day of instruction.

Techniques presented:

Silk Paper making
Metal work
Toner Transfer
Painted fusible web
Transfer Foiling
Watercolour Pencil & Watercrayon painting (on fabric)
Sheer overlay / Encasement with Mylar bonding
Colour Discharge

Sunday, August 16th
9:30-4:30
\$160 + \$15 kit fee

Fearless Pants

with Cecelia Podolak

Students will spend four class sessions learning to alter, fit, construct and customize their own personalized pants. Working from Cecelia's bestselling Fearless Pants pattern, students will create a master pattern with either a flat or pleated front that will become the base for all future pants. They will learn construction tips and techniques for pockets, waistbands, and zippers as well as pressing and pattern drafting skills. Please note: We'll take body measurements and work with the pattern during the first class. Please bring pattern alteration supplies.

9:30-1:30 (12 Hours)
\$175 + \$25 pattern
Dates: Oct. 13, 20, 27, Nov. 3

Sewing Camp for Kids!

with Rena Chow

Mason Sewing Machine has a Sewing Camp designed especially for kids ages 7 to 12.

Each session runs for five consecutive days from 10:00 am till 2:00 pm. All camps are supervised by a qualified Mason Instructor. The projects are fun to make and allow each child's creativity to soar. Our classroom is equipped with state of the art Baby Lock sewing machines. This is a great start on the road to becoming a sewer and gives each child sewing knowledge and confidence that will last a lifetime.

Registration is accepted at time of payment. Materials are included in the session cost, but participants are asked to bring lunch to each camp day. Minimum of 6 kids, maximum 10.

Cost: \$295 per camp session
Time: 10:00-2:00
Dates: #1 July 6-10
#2 July 20-24
#3 Aug 10-14

Have a "SEW" Happy Birthday at MASON SEWING MACHINE!

Book your child's Birthday Party at Mason Sewing Machine! Together they will create your choice of fun sewing projects. The cost includes all fabrics and the use of our top quality Baby Lock sewing machines. This enjoyable yet educational party can host a minimum of 6 children and a maximum of 12. The age requirement for this event is 7 years old. The parties are about 2 1/2 hours long. Book your party now, and give your child "THE ART OF SEWING" for their next birthday.

Pillow Party

The kids have an assortment of pillow shapes to choose from, and they spend the party creating their own work of art. After completing their designer pillows, they stuff their creations and add the finishing touches. The party ends with a treasured keepsake to take home. This party is filled with a creative atmosphere and allows each child to express their personality using fabric and thread.

\$175, minimum of 6 kids. \$25 charge for each additional child.

Boxer Shorts and Pillow Case Party

The perfect beginning to a sleep over, the kids will sew their own boxer shorts and a matching pillow case.

\$250, minimum of 6 kids. \$25 charge for each additional child.

Pajama Pants and Pillow Case Party

The perfect beginning to a sleep over, the kids will sew their own boxer shorts and a matching pillow case.

\$275, minimum of 6 kids. \$25 charge for each additional child.

Sew Kids Sew with Rena Chow

These classes are specially created to teach children how to sew and experience the fun of creating. In this class the students will be introduced to the sewing machine, each student will have a state of the art Baby Lock sewing machine to work with during their classes. They will learn the different functions of the machine and terminologies that are used. We provide a fun and relaxed atmosphere for these classes, which gives the students a comfortable learning environment. In Sew Kids Sew Level 1, we will provide each student with an assortment of projects. These will vary depending on the capability of individual groups. In Sew Kids Sew Level 2, we will continue to build on the sewing skills learned in Level 1, going through the process of sewing a complete garment from a pattern. Ages for this class are 7 to 12 years old.
